RESOLUTION NO. R22

**A RESOLUTION OF THE HAMMOND COMMON COUNCIL OPPOSING THE
ENACTMENT OF HARMFUL FEDERAL TRADE AGREEMENTS**

WHEREAS, the Hammond Common Council, as the fiscal and legislative body of the City of Hammond, from time to time encounters issues of public import and moment which invite an expression from the elected representatives as part of the public discourse on matters; and

WHEREAS, The Hammond Common Council, as elected representatives for the 80,000+ citizens of Hammond, wish to express by this Resolution the will of these citizens as it concerns the enactment of harmful Federal Trade Agreements; and

WHEREAS, on June 29, 2015 the Bipartisan Congressional Trade Priorities and Accountability Act of 2015 (“TPA”) was signed into law, providing the Federal Government “fast-track” powers to conduct and conclude federal trade legislation; and

WHEREAS, the Federal Government is currently considering the approval of several proposed trade agreements, to-wit: the Trans-Pacific Partnership Agreement (“TTP”), the Transatlantic Trade and Investment Agreement (“TTIP”) and the Trade in Services Agreement (“TiSA”); and

WHEREAS, TPP negotiations have been completed and the final agreement is awaiting Congressional approval; and

WHEREAS, the American Federation of Labor-Congress of Industrial Organizations (AFL-CIO) and United Steelworkers (USW) are encouraging communities nationwide to pass resolutions opposing these proposed trade policies, in particular the TPP, with an exacting focus on the negative impact on labor rights and rules; and

A RESOLUTION OF THE HAMMOND COMMON COUNCIL OPPOSING THE ENACTMENT OF HARMFUL FEDERAL TRADE AGREEMENTS

WHEREAS, the TPP concerns matters of public policy and fails to meet its stated goals “To promote economic growth, support the creation and retention of jobs, enhance innovation, productivity and competitiveness, raise living standards, reduce poverty in countries, and promote transparency, good governance, and enhanced labor and environmental protections;” and

WHEREAS, the TTP critically fails to address currency misalignment, contains feeble auto rules of origin and inadequate state-owned enterprise provisions, provides extraordinary rights to foreign investors and pharmaceutical companies, undermines Buy American Act, weakens labor, environmental health, food safety and financial laws, allows challenges to our laws in international tribunals rather than our own court system, and includes a labor framework that has proved itself ineffective resulting in the certain risks of TPP outweighing its speculative and limited benefits; and

WHEREAS, the workers of Hammond, Indiana are constantly threatened by unfair trade practices, having lost jobs in the steel and related industries; and

WHEREAS, the economics of significant Hammond industries are closely linked to trade policy, and unfair policies within the TPP and other proposed agreements will only increase job losses; and

WHEREAS, given the enactment of the TPA, citizens of Hammond have little opportunity to correct shortcomings of these proposed trade policies and Congress cannot follow normal Congressional procedure that permits full hearings and amendments; and

WHEREAS, the Hammond Common Council opposes the enactment of harmful federal trade agreements and desires to call upon our congressional delegation to oppose the same;

A RESOLUTION OF THE HAMMOND COMMON COUNCIL OPPOSING THE ENACTMENT OF HARMFUL FEDERAL TRADE AGREEMENTS

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Hammond, Lake County, Indiana, as follows:

- 1. The Hammond Common Council respectfully calls upon Senator Daniel Coats, Senator Joe Donnelly and Representative Pete Visclosky to oppose TPP as currently negotiated, and any similar proposed trade deals, such as the TTIP, and TiSa, if they fail to restructure the misguided and failed policies of the past; and**
- 2. The Hammond Common Council calls upon our Congressional delegation to support new trade policy that truly promotes economic growth; avoids favoring foreign companies over domestic ones; promotes high standards of protection for workplaces, products and natural resources; supports the creation and retention of jobs; enhances innovation, productivity and competitiveness, raises living standards; reduces poverty in our Country and promotes transparency, good governance and enhances labor and environmental protections; and**
- 3. That a copy of this Resolution be provided to Senator Dan Coats, Senator Joe Donnelly and Representative Pete Visclosky and the local media outlets.**
