NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF HAMMOND, INDIANA, AS FOLLOWS:

SECTION 1. It is hereby found that the financing of a portion of the economic development facilities referred to in the Financing Agreement approved by the Commission and presented to the Common Council, the issuance and sale of the City of Hammond, Indiana, Taxable Economic Development Revenue Bonds, Series 2014 (Gateway Area Project) (the "Bonds"), in one or more series (with the series designation to reflect the calendar year of issuance in the event the Bonds are issued in a calendar year other than 2014, together with a letter designation in the event multiple series of Bonds are issued), the provision of the proceeds of the Bonds to the Borrower for the financing of a portion of the costs of the Project (as hereinafter defined), the payment of the Bonds from TIF Revenues (as defined in the Financing Agreement), and the securing of said Bonds under the Bond Purchase Agreement complies with the purposes and provisions of the Act and will be of benefit to the health, prosperity, economic stability and general welfare of the City and its citizens.

SECTION 2. A portion of the proceeds of the Bonds in the amount of Eight Hundred Thousand Dollars (\$800,000) will be provided to the Borrower and used for the financing of a portion of the acquisition, construction, installation and equipping of an approximately 7,000 square foot restaurant (the "Project"). The Project is to be located in the area within the City heretofore designated as the "Gateway Redevelopment Area." Notwithstanding anything in this Ordinance to the contrary, the proceeds of the Bonds provided to the Borrower shall be used to finance "economic development facilities" as defined in the Act.

SECTION 3. At the public hearing held before the Commission, the Commission considered whether the Project would have an adverse competitive effect on any similar facilities located in the City, and subsequently found, based on the findings of fact approved in connection with the Report of the Commission, that the Project would not have an adverse competitive effect because there are no other similar businesses located in the proximity of the Area. The Common Council hereby confirms the findings set forth in the Commission's resolution and Report, and concludes that the Project will not have an adverse competitive effect on any other similar facilities located in the Area, and the facilities will be of benefit to the health, prosperity, economic stability and general welfare of the citizens of the City.

SECTION 4. The substantially final forms of the Financing Agreement and the Bond Purchase Agreement approved by the Commission are hereby approved (herein collectively referred to as the "Financing Documents"), and the Financing Documents shall be incorporated herein by reference and shall be inserted in the minutes of the Common Council and kept on file by the Clerk of the City (the "Clerk"). In accordance with the provisions of Indiana Code 36-1-5-4, two (2) copies of the Financing Documents are on file in the office of the Clerk for public inspection.

SECTION 5. The City shall issue its Bonds, in one or more series, in an aggregate principal amount not to exceed Eight Hundred Fifty Thousand Dollars (\$850,000). Each series

of the Bonds shall finally mature not later than February 1, 2015. Said Bonds are to be issued for the purpose of procuring funds to pay the costs of a portion of the acquisition, construction, installation and equipping of the Project, as more particularly set out in the

At the option of the Controller of the City (the "Controller"), any series of the Bonds may be issued as "draw down" bonds such that the principal of such series of Bonds shall not be payable and the interest thereon shall not accrue until such principal amount has been advanced pursuant to disbursements made pursuant to the Bond Purchase Agreement.

The approval of said modifications or additions shall be conclusively evidenced by the execution and attestation thereof and the affixing of the seal thereto or the imprinting of the seal thereon; provided, however, that no such modification or addition shall change the maximum principal amount of, maximum interest rate on, or terms of the Bonds described in Indiana
