## Section 2

### Severability

- A. If any Court of competent jurisdiction shall adjudge any section, subsection, paragraph, sentence, clause, or phrase of this Ordinance, or amendment thereto, to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining portions of this Ordinance, or amendment thereto, not specifically included in said judgment. It is expressly declared that this Ordinance and each section, subsection, paragraph, sentence, clause and phrase would have been adopted regardless of the fact that any one or more sections, subsections, paragraphs, sentences, clauses, or phrases might be declared invalid or unconstitutional.
- B. If any Court of competent jurisdiction shall adjudge invalid the application of any provision of this Ordinance, or amendment thereto, to a particular property, building, or other structure, such judgment shall not affect the application of said provision to any other property, building, or structure not specifically included in said judgment.
- C. If any Court of competent jurisdiction shall determine that any word, clause, phrase, sentence, paragraph, or subsection of the Ordinance, or amendment thereto, is unconstitutional as worded, the court shall first attempt to construe or interpret such unconstitutional provision so as to enable the same to be constitutional as so narrowed or construed. If the court cannot so limit or construe such word or provision narrowly so as to render the same constitutional, it shall strike or modify only the minimum number of words, phrases, clauses, sentences, or paragraphs as will be absolutely necessary to render the remainder constitutional. In no case shall a subordinate clause, phrase, or word render the attached major section or provision unconstitutional, but instead such subordinate clause, phrase, or word shall be severed there from, unless such severance renders the remainder wholly meaningless or unconstitutional.

BE IT FURTHER RESOLVED by the Common Council of the City of Hammond that this Ordinance shall be in full force and effect from and after its passage by the Common Council, signing by the President thereof, and approval by the Mayor.
