ESG OVERVIEW

In the application details and explanations must be clearly expounded in a manner in which the proposed project/shelter will meet the Emergency Solutions Grant program's focus.

OBJECTIVE OF ESG:

The objective of the Emergency Solutions Grant program is to increase the sustainability and quality of emergency shelters and transitional housing facilities for homeless individuals and families. To operate these facilities and provide essential social services, and to help prevent further homelessness.

There is a statutory requirement that ESG funds must benefit either homeless persons, or persons at imminent risk of becoming homeless in the case of homeless prevention activities. For purposes of ESG, the term "homeless" or "homeless individual or homeless person" includes:

- (1) An individual who lacks a fixed, regular, and adequate nighttime residence; and
- (2) An individual who has a primary nighttime residence that is:
 - A) Supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill, domestic violence).
 - B) An institution that provides a temporary residence for individuals intended to be institutionalized.
 - C) A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

ELIGIBLE USES OF ESG FUNDS:

- (1) The renovation, major rehabilitation, sanitary exertion or conversion of buildings to be used as emergency shelters.
- (2) The provision of essential services, including services concerned with employment, health, drug abuse, and education and may include (but are not limited to): (a) assistance in obtaining permanent housing; (b) medical and psychological counseling and supervision; (c) employment counseling; (d) nutritional counseling; (e) substance abuse treatment and counseling; (f) assistance in obtaining other federal, state and local assistance; (g) other services such as child care, transportation, job placement and job training; and (h) staff salaries necessary to provide the above mentioned services.
- (3) Payment for shelter maintenance, operation, rent, repairs, security, fuel, equipment, insurance, utilities, food and furnishings.

- (4) Efforts to prevent homelessness such as financial assistance to families who have received eviction notices or notices of termination of utility services if – (A) the inability of the family to make the required payments is due to a sudden reduction in income; (B) the assistance is necessary to avoid the eviction or termination of services; (C) there is a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance will not supplant funding for preexisting homelessness prevention activities from other sources.
- (5) Administrative costs (**limited to five percent of award**).
