### Summary of Distribution and Uses of NSP Funds:

NSP 3 funding is to be used for the Acquisition and Rehabilitation of Foreclosed, Vacant properties located in the designated Area of Greatest Need. Upon completion, the houses will be made available for sale to those income eligible households at 120% or less of the Area Median Income.

|                |                 |
|----------------|-----------------|
| LMMH (75%)     | \$ 808,557.00   |
| LH25 (25%)     | \$ 310,984.00   |
| Administration | \$ 124,393.00   |
| Total Grant    | \$ 1,243,934.00 |

### How Fund Use Addresses Market Conditions:

The City of Hammond utilized various data sources to determine the areas of greatest need. According to RealtyTrac data (2009) Indiana's foreclosure rate ranked No. 11 out of the 50 states for all of 2008, with 1.67 percent of all housing units receiving a foreclosure filing during the year. Lake County ranks second in the state in the number of foreclosed properties in December 2010 (323 foreclosures) and in December 2010, Hammond ranks first of the three large older industrial cities and second overall of all cities and towns in Lake County (RealtyTrac data). In doing a geographical comparison, the following graphically demonstrates the high continuing rate of foreclosure activity in the City of Hammond's zip code 46324, (which is where the targeted neighborhoods the city is requesting NSP3 funding). in comparison with the state, county and city averages. According to data collected from the county's Sheriff's office and geo-coded by the City of Hammond's Mayor's Housing Task Force, during calendar year 2010, the number of foreclosures in the City of Hammond totaled 717.

(Note: The Sheriff's Foreclosure Sales Listings were provided by the Lake County Sheriff's Office. Based on that data the district with the highest area of foreclosure activity is the Fourth District, the District in which the target area of greatest need is located.) The following is a list of year-to-date (January 2010 - December 2010) list of foreclosures by the City of Hammond Common Council District:

The targeted area the City selected, received 647 mortgages from 2004 through 2007. The total number of housing units in the targeted area is 1836; a certain number of these housing units may be rental. During the 2004-07, three year period, this targeted neighborhood had over one third of it's housing units or 35%, receive new mortgages. Of these new mortgages 38.82 % (261) are described as high cost mortgages. This condition may further support the high foreclosure rate in the targeted area. Homes that are 90 or more days delinquent total 11.28% or approximately 207 homes. In the past year there have been 48 foreclosure starts in the targeted area.

The Area of Greatest Need is located in City of Hammond's 4th Council District as indicated by the "blocks" identified in the NSP3 Mapping Tool Detail, pages 2 and 3, Blocks Comprising Target Neighborhood. The area is physically bounded by 169th Street on the North, Calumet Avenue on the East, and Harrison Avenue on the West through 173rd Street on the South, then from 173rd Street on the North to River Drive on the South, Harrison Avenue on the West, and Columbia Avenue on the East.

Included in the selection criteria for determining the target area is the potential resale of acquired and rehabilitated properties. The targeted area and its immediate vicinity have accounted for 47.69% of the total residential properties sold in Hammond for the years 2008, 2009, and 2010. Using 2008 as the base year, that area is the only sales market area in Hammond that has reflected an increase in "Days On Market (DOM)." Whereas other sales market areas in Hammond reflect slightly decreased DOMs, the sales market area in which the targeted area is located has shown an increase of 9.35% (10 days) in DOM. Over the same 3 year period, that sales market

**How Fund Use Addresses Market Conditions:**

area has shown an 8.55% decrease in sales price or \$6,844 per unit. However, what continues to support this area as the prime basis for a successful program is that it continues to attract a comparatively greater proportion of new homebuyers in Hammond. This program will have a greater impact by rehabilitating 11 foreclosed, abandoned or vacant properties for that reason. This will reinforce to the prospective home buyers that the neighborhoods in this designated area continue to be viable and an attractive area in which to purchase an affordable house. The Sales Market Data was provided by a local realtor from the Multiple Listing Data Base.

An important and attractive marketing and selling point to prospective home buyers in Hammond is that all Hammond homeowners who have children that attend school for at least 6 years, and have met the program's grade requirements are eligible to receive free college tuition for 4 years through the City's College Bound program. This City program may further reinforce some borderline homebuyers to purchase a home in this area.

- 1. First District 79 YTD
- 2. Second District 96 YTD
- 3. Third District 105 YTD
- 4. Fourth District 160 YTD
- 5. Fifth District 128 YTD
- 6. Sixth District 149 YTD

**Ensuring Continued Affordability:**

The City of Hammond will ensure continued affordability for NSP 3-assisted housing by adopting the HOME program standards at 24 CFR 92.252 (a), (c), (e), and (f) for rental units and 92.254 for homeownership units.

The affordability period for NSP 3-assisted acquisition or acquisition/rehab of rental and homeownership units will, at a minimum, meet the HOME standard:

| Per-unit NSP 3 Assistance | Min. Affordability Period |
|---------------------------|---------------------------|
| up to \$15,000            | 5 years                   |
| \$15,000-\$40,000         | 10 years                  |
| above \$40,000            | 15 years                  |

**Definition of Blighted Structure:**

Blighted Structure:

A structure will be considered blighted when it meets the following Indiana Unsafe Buildings and Unsafe Premises condition as defined in Indiana Statue condition:

IC 36-7-9-4 Unsafe buildings and unsafe premises described Sec. 4.

(a) For purposes of this chapter, a building or structure, or any part of a building or structure, that is:

- (1) in an impaired structural condition that makes it unsafe to a person or property;
- (2) a fire hazard;
- (3) a hazard to the public health;
- (4) a public nuisance;
- (5) dangerous to a person or property because of a violation of a statute or ordinance concerning building condition or maintenance; or
- (6) vacant and not maintained in a manner that would allow human habitation, occupancy, or use under the requirements of a statute or an ordinance;

are considered unsafe premises.

(b) For purposes of this chapter:

- (1) an unsafe building; and
  - (2) the tract of real property on which the unsafe building is located;
- are considered unsafe premises.

(c) For purposes of this chapter, a tract of real property that does not contain a building or structure, not including land used for production agriculture, is considered an unsafe premises if the tract of real property is:

- (1) a fire hazard;
- (2) a hazard to public health;
- (3) a public nuisance; or
- (4) dangerous to a person or property because of a violation of a statute or an ordinance.

**Definition of Affordable Rents:**

For the purposes of the NSP program, the City will utilize the definition of High-HOME rents from the HOME Investment Partnerships program: Efficiency, \$537; 1 BR, \$669; 2 BR, \$816; 3 BR, \$975; 4 BR, \$1,006; 5 BR, \$1157; 6 BR, \$1,308

**Housing Rehabilitation/New Construction Standards:**

All rehabilitation under the NSP 3 program will utilize the same rehabilitation standards used for its HOME-funded Owner-Occupied Rehabilitation Program. These standards are based upon local housing codes and comply with the 2003 International Residential Code, with Indiana Amendments, and specifically Appendix J (Existing Buildings and Structures). Structures with more than two units must comply with the IBC with Indiana Amendments In addition, effective May 6,2010, Indiana Energy Conservation Code 2010 (ASHRAE 90.1, 2007 edition, as amended) where applicable. All gut rehabilitation or new construction (as defined by HUD) of residential buildings up to three stories will be designed to meet the standard for Energy Star Qualified New Homes. Other rehabilitation will meet these standards to the "extent applicable" to the rehabilitation work undertaken, e.g., replace older obsolete products and appliances (such as windows, doors, lighting, hot water heaters, furnaces, boilers, air conditioning units, refrigerators, stoves, clothes washers and dryers, and dishwashers) with

Energy Star-46 labeled products.

**Vicinity Hiring:**

Vicinity Hiring. The jurisdiction certifies that it will, to the maximum extent feasible, provide for hiring of employees that reside in the vicinity of all NSP3 funded projects or contract with small businesses that are owned and operated by persons residing in the vicinity of NSP3 projects. The City of Hammond will make attempts to see that persons and/or companies from the NSP 3 target areas are engaged and/or hired. Given the target area is primarily residential, this may present some challenges to hire businesses specifically in the targeted area. But because much of our community has substantial number of low to moderate income census tracts corresponding to its residents, if qualified residents are available and new hires are being sought we believe employment opportunities will develop. The City of Hammond has long defined the hiring preference "vicinity" for the CDBG program to be all of Hammond. It will use this same definition of "vicinity" for NSP 3 as a preference. The City will detail in advertisements for contractor, and in construction contracts, the requirement that contractors must make a "best faith effort" to meet Section 3 goals and standards when hiring new employees for NSP 3 projects. Quarterly reports will be maintained by the City to determine as to whether Section 3 and Vicinity Hiring goals are achieved, and by whom.

The City has initiated the outline of a Work Force Program which will provide OSHA Safe Work Place Practices training to made available to City of Hammond residents. Names of participants completing the training will be made available to all contractors for NSP related projects and activities.

**Procedures for Preferences for Affordable Rental Dev.:**

**Rental Preference:**

At this time with this application, the City of Hammond does not intend to utilize a rental program for the properties being acquired in the target area. The Hammond Housing Authority has undertaken a reconstruction and rehabilitation of existing structures and currently offers in excess of 390 rental units in a complex immediately adjoining the targeted area. In addition, Hammond Housing Authority also owns, maintains, and manages an additional site complex in the City of Hammond with 199 rental units located approximately 3 miles North of the targeted area. Historically The City of Hammond has stated that an estimated 65% of its 38,000 housing units were owner occupied, with the remainder being rental. Typically cities and towns to the South of Hammond have owner occupancy rates of an estimated 75%. With NSP1 and its Down Payment Assistance Program, the City of Hammond has noted an increased demand for home ownership. In 2 years of providing down payment assistance, the City has assisted an estimated 200 households with home ownership. The increased demand for home ownership may partially attributed to the City's College Bound Scholarship Program. The Program basically allows the children of Hammond residents (home owners) to obtain college tuition for 4 years at an annual amount equal to that of a State University. The Program does have conditions of eligibility relating to students' Grade Point Averages in High School and the college they choose to attend.

## Overall Progress Narrative:

From January 2012 through March 2013 Sheriff Foreclosure Sales have numbered at least 90 in the NSP3 Target Area. However, there are only 10 of those Properties currently listed for sale through the Multiple Listing Service. The City of Hammond has acquired 2 properties for its NSP3: 909 175th Street and 7403 Oakdale Avenue. Both properties have the Abatement Process completed with both properties receiving the necessary Clearances. The Rehab Process has progressed substantially on both properties. An additional issue recently occurred with the attempted acquisition of a property through NCST for a property held by a large national lender. We completed our due diligence process, which included current appraisals, Work Write Ups (estimates to Abate and Rehab), and initiated the Environmental Review to expedite the acquisition process. Unfortunately the Lender valued the property at \$62,900 and offered it to us at a discounted sales price of \$50,300. Our appraised values averaged \$38,000. The lender was informed of our Counter Offer but stood fast on its valuation, even though we forwarded our appraisals to them for review. We have not given up on this property, requesting the lender/owners detailed valuation/appraisal of the property. In the event lender accepts our counter offer we can close on this property by 3/18/13 and start the abatement and rehab process with 30 days of the acquisition. Just a footnote to this experience: the lender previously sold us a property 3 houses away from the aforementioned property for \$26,300 in 7/12. The property has been listed by a realtor on the Multiple Listing Service in the amount of \$49,900 on 2/28/13. There are currently 10 vacant, foreclosed properties available for sale in the NSP3 Target Area. 2 properties have reviewed, with the City unable to purchase due over valuations by the Owner/Sellers, 1 property has a pending sale; NSP staff is in the process of offering to purchase 5 of the properties: Address, List Price, List Date, Offer: 442 Spruce Avenue \$39,900.00, NA; 2) 642 173rd Street, \$39,900.00, 11/27/12, \$ 35,000.00; 3)7014 Van Buren Avenue, \$52,900.00, 02/16/13, \$47,000.00; 4)7419 Maplewood Avenue, \$69,900.00, 03/16/13, \$ 60,000.00 5)7345 Jarnecke Avenue, \$74,900.00, 11/20/12,\$60,000.00; 6)7533 Van Buren Avenue,\$75,000.00, 2/10/12, \$67,000.00. NSP 3 Staff continues in it efforts to purchase properties made available in the NSP 3 Target Area. It appears as if more propeties are becoming available by the owners at thsi time. However there appear to be a large number not yet being made availabel for acquisition.

The property at 7417 Maplewood has been appraised and a restated offer made for the average of 2 independent URAR appraisals less the 1% NSP Discount. The amended offer was for \$58,410 and verbally accepted by FNMA's Real Estate Agent. A Purchase Agreement and Amendment to the original Sales Agreement is being

prepared by the Seller's representative.

A offer to purchase the property at 7533 Van Buren was given to the Owner/Seller for \$67,000 and was countered at the full listing price of \$75,000 by the Owner. The offer was later withdrawn by the Owner/Seller for unknown reasons. It appears as if the property is occupied by a tenant.

The property being rehabbed at 909 175th Street is completed and awaiting an Environmental Clearance. Upon receipt of the Clearance, the property will be appraised and offered for sale at the appraised value, estimated by NSP Staff to be \$98,000.

The property being rehabbed at 7403 Oakdale Avenue is approximately 30 days from completion and is expected to be ready for its Environmental Clearance exam on or about 5/15/13, Upon receipt of the Clearance, the property will be appraised and offered for sale at the appraised value, estimated by NSP Staff to be \$103,000.

Although the 50% Expenditure Deadline has passed with the City of Hammond not fulfilling its obligation to expend 50% of its NSP 3 funding, NSP staff remains confident those funds will be spent within 90 - 120 days with approaching real estate prime sale season.

**Activity Description:**

NSP Eligible Use B: Acquisition and Rehabilitation - This Activity will consist of identifying and acquiring vacant foreclosed single family residential properties, then reconstructing those properties in accordance with applicable guidelines. The upgraded property will then be marketed for sale to Low, Moderate, and Middle Income Households with a total Household Income not exceeding 120% of the Area Median Income (LMMIH75, 75%).

**Location Description:**

The NSP 3 Targeted Area is bounded by 165th Street to the North, River Drive to the South, Harrison Avenue to the West, and Columbia Avenue to the East.

**Activity Progress Narrative:**

Thus far all properties purchased and under consideration appear to be those marketable to the LIH 25% Household Income category.

**Activity Description:**

NSP Eligible Use B: Acquisition and Rehabilitation - This Activity will consist of identifying and acquiring vacant foreclosed single family residential properties, then rehabbing them in accordance with applicable guidelines. The completed properties will then be marketed for sale to Low Income Households with a total Household Income not exceeding 50% of the Area Median Income (LIH25, 25%).

**Location Description:**

The NSP 3 Targeted Area is bounded by 165th Street to the North, River Drive to the South, Harrison Avenue to the West and Columbia Avenue to the East.

**Activity Progress Narrative:**

Additional Properties in the process of Acquisition:  
The properties in progress at this time 909 175th Street and 7403 Oakdale Avenue should both be available for sale by 5/31/13.  
Address, List Price, List Date, Offer  
1) 442 Spruce Avenue \$ 39,900.00, UNKNOWN, NA; 2) 642 173rd Street \$ 39,900.00, 11/27/12 \$ 35,000.00; 3) 7014 Van Buren Avenue \$ 52,900.00, 02/16/13, \$ 47,000.00; 4) 7419 Maplewood Avenue \$ 69,900.00, 03/16/13, \$ 60,000.00 5) 7345 Jarnecke Avenue \$ 74,900.00, 11/20/12, \$ 60,000.00; 6) 7533 Van Buren Avenue \$ 75,000.00, 2/10/12, \$67,000.00  
NSP Staff is currently waiting for the Amended Executed Purchase Agreement for 7417 Maplewood Avenue for the amount of \$58,410. The property should close by 5/20/13. Upon acquisition NSP Staff will conduct the Abatement and Rehab Bid Process for the property. It is expected that the Abatement Process is to be initiated on or about 6/8/13, with the Rehab process to be initiated on or about 7/1/13.  
The property located at 7533 Van Buren was withdrawn by the Seller/Owner after a written offer was submitted and subsequently countered at the full Listing Price by the Seller.  
All properties under consideration for acquisition have the Work Write Ups completed in order to expedite the expenditure of

funds for Abatement and Rehab.

**Activity Description:**

Activity 24CFR 570.206 Administration: The City of Hammond will use 10% of it's NSP 3 Allocation for the purpose of administrating the City of Hammond NSP 3 activities. Funding will be used for, but not limited to, eligible staff salaries, consultant fees, and other expenses deemed to be necessary, allowable, and applicable for the administration of NSP 3 in the City of Hammond.

**Location Description:**

The City of Hammond's NSP Targeted Area is bound by 165th Street to the North, River Drive to the South, Harrison Avenue to the West, and Columbia Avenue to the East.

**Activity Progress Narrative:**

NSP Staff continue to seek eligible properties for acquisition with NSP 3 funding. Upon notice of property availability, all Due Dilligence reports are ordered in order to expedite the acquisition and subsequent Abatement and Rehab activities.
